

Dear Jim,

I heard about Janette. You have my deepest regards. I know life never goes how we plan it, and sometimes a life can leave scars. She was always kind to me Jim. No words could ever describe how happy it made me to see you together – I know this year has been hard to survive. Instead of just calling you out of the blue without warning, I thought a letter could do more to show my mourning. The truth is I don't know how composed my voice would be because you and Janette meant so much to me.

It's been a while I know good friend. I'm sorry it's been so long. I wish I was there to comfort your now. I promise to visit you once Covid is gone. How are the kids doing Jim? I feel for their loss and their pain. I heard that Michael has started college, so alone with Beth must be a strain. Again, I'm so sorry 'bout Janette, Jim. I wanted you to know I'm here – Again - I'm here for you whenever you need it.

My sympathies,

(signed) Nathan your friend

P.S. Please call if you ever need me. I am always here for you Jim.
